UNITED STATES DISTRICT COURT  
CENTRAL DISTRICT OF CALIFORNIA

IN RE: Toyota Motor Corp.  
Unintended Acceleration Marketing,  
Sales Practices, and Products Liability  
Litigation

Case No. 8:10ML 02151 JVS (FMOx)  
Final Order Approving Class Action  
Settlement

This document relates to:  
All Economic Loss Cases.

The Court issues the following Final Order Approving Class Action Settlement. This Order was prepared and submitted by the parties, and has been modified by the Court. The \$1.6 billion settlement this Order approves will benefit approximately 22 million class members.

Filed concurrently herewith are the Court's Order Granting Motion for Final Approval of Proposed Class Action Settlement, and Granting Motion for Attorneys' Fees, Reimbursement of Expenses, and Compensation to Named Plaintiffs, as well as the Court's Final Judgment. Attached hereto as Attachment A is a list of the Subject Vehicles (identified by make, model, and year) to which these Orders and the Court's Final Judgment apply. Also attached hereto as Attachment B is a list of persons, entities, and organizations who have excluded

1 themselves from (or “opted out” of) the Class. The Clerk is directed to file a copy  
2 of this Order on the docket of each economic loss member case.<sup>1</sup>

3  
4 In December 2012, the Court considered the Settlement Agreement dated  
5 December 26, 2012 (Docket Nos. 3442-1) (the “Agreement”) between and among  
6 the Class Representatives, Plaintiffs’ Class Counsel and Defendants Toyota Motor  
7 Corporation and Toyota Motor Sales, U.S.A., Inc. (“Toyota”). On December 28,  
8 2012, the Court issued its Order Granting Preliminary Approval of the Class  
9 Settlement, Directing Notice to the Class, and Scheduling Fairness Hearing  
10 (Docket No. 3345) (the “Preliminary Approval Order”). In advance of the June 14,  
11 2013 Fairness Hearing, the Court considered the parties’ briefing and evidence,  
12 and received and reviewed approximately 80 objections to the proposed settlement.  
13 Objectors who filed a notice of intent to appear at the hearing were given the  
14 opportunity to address the Court. At the hearing, the Court ordered supplemental  
15 briefing, provided the opportunity to submit supplemental objections, and set a  
16 further hearing for July 19, 2013. (Docket No. 3808.)

17 On June 17, 2013, the Court issued its Order Regarding Proposed Class  
18 Action Settlement and its Order Regarding Motion for Attorneys’ Fees,  
19 Reimbursement of Expenses, and Compensation to Named Plaintiffs. (Docket  
20 Nos. 3802 & 3804.) These Orders held the Motions in abeyance pending  
21 supplemental briefing and further hearing.

22 On July 19, 2013, the Court held a hearing to consider the parties’  
23 supplemental briefing, including their proposed Amendment No. 2 to the

---

24 <sup>1</sup> A list of the case numbers for the economic loss member cases may be  
25 found attached to the Final Judgment.

1 Agreement (Docket No. 3883-1), which made significant changes to the  
2 Agreement's Allocation Plan. The Court also considered supplemental objections.  
3 After that hearing, for the reasons set forth on the record, including the Court's  
4 written Orders referenced above, the Court issued its concurrently filed Order  
5 Granting Motion for Final Approval of Proposed Class Action Settlement, and  
6 Granting Motion for Attorneys' Fees, Reimbursement of Expenses, and  
7 Compensation to Named Plaintiffs.

8 Accordingly, so that the Settlement Agreement, as modified, may be  
9 effectuated, the Court hereby orders as follows:

- 10  
11 1. This Final Order Approving Class Action Settlement incorporates  
12 herein and makes a part hereof, the Agreement and its exhibits, the  
13 Preliminary Approval Order, all exhibits to the Agreement and the  
14 Preliminary Approval Order. Unless otherwise provided herein, the  
15 terms defined in the Agreement and Preliminary Approval Order shall  
16 have the same meanings for purposes of this Final Order and  
17 accompanying Final Judgment.
- 18 2. The Court has personal jurisdiction over all parties in the Actions,  
19 including, but not limited to all Class Members, and has subject matter  
20 jurisdiction over the Actions, including without limitation jurisdiction  
21 to approve the Agreement, grant final certification of the Class, to  
22 settle and release all claims released in the Agreement and to dismiss  
23 the Actions and each Action with prejudice and enter final judgment  
24 in each Action.

**I. THE SETTLEMENT CLASS**

3. Based on the record before the Court, including all submissions in support of the Settlement set forth in the Agreement, objections and responses thereto and all prior proceedings in the Actions, as well as the Agreement itself and its related documents and exhibits, the Court hereby certifies the following nationwide Class (the “Class”) for settlement purposes only:

All persons, entities or organizations who, at any time as of or before the entry of the Preliminary Approval Order, own or owned, purchase(d), lease(d) and/or insure(d) the residual value, as a Residual Value Insurer, as defined in the Agreement, of all Subject Vehicles equipped or installed with an Electronic Throttle Control System (“ETCS”) (as listed in Attachment A to this Final Order) distributed for sale or lease in any of the fifty States, the District of Columbia, Puerto Rico and all other United States territories and/or possessions. Excluded from the Class are: (a) Toyota, their officers, directors and employees; affiliates and affiliates’ officers, directors and employees; their distributors and distributors’ officers, directors and employees; and Toyota Dealers and Toyota Dealers’ officers and directors; (b) Plaintiffs’ Class Counsel, Allocation Counsel and their employees; (c) judicial officers and their immediate family members and associated court staff assigned to this case, and all

1 persons within the third degree of relationship to any  
2 such persons, and (d) persons or entities who or which  
3 timely and properly excluded themselves from the Class.

4  
5 Additionally, those persons, entities, and/or organizations listed on  
6 Attachment B to this Final Order Approving Class Action Settlement have  
7 timely and properly excluded themselves (or “opted out”) from the Class.  
8 Therefore, the persons, entities, and organizations identified on Attachment  
9 B are not bound by this Final Order Approving Class Action Settlement or  
10 the accompanying Final Judgment.

11 4. For settlement purposes and conditioned upon the entry of the Final  
12 Order and Final Judgment and upon the occurrence of the Final  
13 Effective Date,<sup>2</sup> the Court finds that the Class meets all the applicable  
14 requirements of Fed. R. Civ. P. 23(a) and (b)(3). Specifically, the  
15 Court so finds on the bases set forth in the Order Re: Motion for  
16 Preliminary Approval of Class Settlement and as set forth below:

17 a. Numerosity. The Class, which is ascertainable, consists of  
18 millions of members located throughout the United States and satisfies  
19 the numerosity requirement of Fed. R. Civ. P. 23(a)(1). Joinder of  
20 these widely-dispersed, numerous Class Members into one suit would  
21 be impracticable.

---

22  
23  
24  
25 <sup>2</sup> The Settlement Agreement defines this term. (Agreement § I(A)(26).)

- 1           b.    Commonality. There are multiple questions of law and fact  
2           common to the Class with regard to the alleged activities of  
3           Toyota in this case. These issues are sufficient to establish  
4           commonality under Fed. R. Civ. P. 23(a)(2).
- 5  
6           c.    Typicality. The claims of Class Representatives are typical of  
7           the claims of the Class Members they seek to represent for  
8           purposes of settlement.
- 9  
10          d.   Adequate Representation. Plaintiffs' interests do not conflict  
11          with those of absent members of the Classes, and Plaintiffs'  
12          interests are co-extensive with those of absent Class Members.  
13          Additionally, this Court recognizes the experience of Class  
14          Counsel Steve W. Berman of Hagens Berman Sobol Shapiro  
15          LLP, Marc M. Seltzer of Susman Godfrey L.L.P., and Frank M.  
16          Pitre of Cotchett, Pitre & McCarthy LLP. Plaintiffs and their  
17          counsel have prosecuted this action vigorously on behalf of the  
18          Class. The Court finds that the requirement of adequate  
19          representation of the Class has been fully met under Fed. R.  
20          Civ. P. 23(a)(4).
- 21          e.    Predominance of Common Issues. The questions of law and  
22          fact common to the Class Members, as pertains to consideration  
23          of the Settlement, predominate over any questions affecting any  
24          individual Class Member.  
25

1 f. Superiority of the Class Action Mechanism. The class action  
2 mechanism provides a superior procedural vehicle for  
3 settlement of this matter compared to other available  
4 alternatives. Class certification promotes efficiency and  
5 uniformity of judgment because the many Class Members will  
6 not be forced to separately pursue claims or execute settlements  
7 in various courts around the country.

8 5. The designated Class Representatives are as follows. Karina Brazdys,  
9 John Moscicki, Dale Baldisseri, Peggie Perkin, Kathleen Atwater,  
10 Georgann Whelan, Ann Fleming-Weaver, Nancy Seamons, Israel  
11 Flor, Donald Graham, Shirley Ward, John and Mary Ann Laidlaw,  
12 Judy Veitz, Victoria and Barry Karlin, Elizabeth Van Zyl, Green Spot  
13 Motors Co., Deluxe Holdings Inc. and Auto Lenders Liquidation  
14 Center, Inc. The Court finds that these Class Members have  
15 adequately represented the Class for purposes of entering into and  
16 implementing the Agreement. The Court reaffirms the appointment of  
17 Steve W. Berman of Hagens Berman Sobol Shapiro LLP, Marc M.  
18 Seltzer of Susman Godfrey L.L.P., and Frank M. Pitre of Cotchett,  
19 Pitre & McCarthy LLP as Plaintiffs' Class Counsel.

20 6. In making all of the foregoing findings, the Court has exercised its  
21 discretion in certifying the Class.

## II. NOTICE TO CLASS MEMBERS

1  
2  
3 7. The record shows and the Court finds that the Class Notice has been  
4 given to the Class in the manner approved by the Court in its  
5 Preliminary Approval Order (Docket No. 3345). The Court finds that  
6 such Class Notice: (i) constitutes reasonable and the best practicable  
7 notice to Class Members under the circumstances of the Actions;  
8 (ii) constitutes notice that was reasonably calculated, under the  
9 circumstances, to apprise Class Members of the pendency of the  
10 Actions and the terms of the Agreement, their right to exclude  
11 themselves from the Class or to object to any part of the Settlement,  
12 their right to appear at the Fairness Hearing (either on their own or  
13 through counsel hired at their own expense) and the binding effect of  
14 the orders and Final Order and Final Judgment in the Actions, whether  
15 favorable or unfavorable, on all persons, entities, and/or organizations  
16 that fail to exclude themselves from the Class, (iii) constitutes due,  
17 adequate, and sufficient notice to all persons, entities, and/or  
18 organizations entitled to receive notice; and (iv) fully satisfied the  
19 requirements of the Constitution of the United States (including the  
20 Due Process Clause), Rule 23 of the Federal Rules of Civil Procedure,  
21 and any other applicable law, and (v) is based on the Federal Judicial  
22 Center's illustrative class action notices.

23 The Court further finds that the Parties, through the Settlement  
24 Notice Administrator, provided notice of the Settlement to the  
25 appropriate state and federal government officials pursuant to 28  
U.S.C. § 1715. Furthermore, the Court has given the appropriate state

1 and federal government officials the requisite ninety (90) day time  
2 period to comment or object to the Settlement before entering its Final  
3 Order and Final Judgment. No comments or objections were filed by  
4 any state or federal government official.

5  
6 **III. FINAL APPROVAL OF SETTLEMENT AGREEMENT**

- 7 8. The Court finds that the Agreement resulted from extensive arm's  
8 length good faith negotiations between Class Counsel and Toyota,  
9 through experienced counsel, with the assistance and oversight of  
10 Court-Appointed Settlement Special Master Patrick A. Juneau.
- 11
- 12 9. Pursuant to Fed. R. Civ. P. 23(e), the Court hereby finally approves in  
13 all respects the Settlement as set forth in the Agreement (as amended  
14 by Amendment No. 2) and finds that the Settlement, the Agreement,  
15 the Allocation Plan, and all other parts of the Settlement (a) are, in all  
16 respects, fair, reasonable, and adequate, (b) are in the best interest of  
17 the Class, and (c) are in full compliance with all applicable  
18 requirements of the Federal Rules of Civil Procedure, the Constitution  
19 of the United States (including the Due Process Clause), the Class  
20 Action Fairness Act, and any other applicable law. The Court hereby  
21 declares that the Agreement is binding on all Class Members, except  
22 those identified on Attachment B, and it is to be preclusive in the  
23 Actions. The Court also finds that Allocation Counsel adequately and  
24 vigorously represented the Class Members' interests in negotiating the  
25 Allocation Plan. The decisions of the Class Action Settlement  
Administrator relating to the review, processing, determination and

1 payment of Claims submitted pursuant to this Settlement Agreement  
2 are final, binding, and are not appealable.

3  
4 10. The Court finds that the Settlement is fair, reasonable and adequate  
5 based on the following factors, among other things: (a) the absence of  
6 any fraud or collusion underlying the Settlement; (b) the complexity,  
7 expense, uncertainty and likely duration of litigation in the Actions  
8 favor settlement on behalf of the Class; (c) the Settlement's provision  
9 of meaningful benefits to the Class; and (d) any and all other  
10 applicable factors that favor final approval.

11 11. The Parties are hereby directed to implement and consummate the  
12 Settlement according to the terms and provisions of the Agreement.  
13 In order to permit Toyota to coordinate with its Dealers to provide  
14 benefits pursuant to the Customer Support Program under the  
15 Agreement, eligible Class Members may begin seeking such benefits  
16 no earlier than 10 business days from the date of entry of this order.  
17 Nothing in the previous sentence shall affect the calculation of periods  
18 of time for which Toyota will provide coverage under the Customer  
19 Support Program. In addition, the Parties are authorized to agree to  
20 and adopt such amendments and modifications to the Agreement as (i)  
21 shall be consistent in all material respects with this Final Order  
22 Approving Class Action Settlement, and (ii) do not limit the rights of  
23 the Class.  
24  
25

1 12. The Court has considered all objections, timely and proper or  
2 otherwise, to the Settlement and denies and overrules them as without  
3 merit.

4 **IV. DISMISSAL OF CLAIMS, RELEASE, AND INJUNCTION**

5  
6 13. The Actions are hereby dismissed with prejudice on the merits and  
7 without costs to any party, except as otherwise provided herein or in  
8 the Agreement.

9  
10 14. Upon entry of this Final Order Approving Class Action Settlement  
11 and the Final Judgment, Plaintiffs, Class Representatives and each  
12 member of the Class (except those listed on Appendix B), on behalf of  
13 themselves and any other legal or natural persons who may claim by,  
14 through or under them, agree to fully, finally and forever release,  
15 relinquish, acquit, discharge and hold harmless the Released Parties  
16 from any and all claims, demands, suits, petitions, liabilities, causes of  
17 action, rights, and damages of any kind and/or type regarding the  
18 subject matter of the Actions, including, but not limited to,  
19 compensatory, exemplary, punitive, expert and/or attorneys' fees or  
20 by multipliers, whether past, present, or future, mature, or not yet  
21 mature, known or unknown, suspected or unsuspected, contingent or  
22 non-contingent, derivative or direct, asserted or un-asserted, whether  
23 based on federal, state or local law, statute, ordinance, regulation,  
24 code, contract, common law, or any other source, or any claim of any  
25 kind related arising from, related to, connected with, and/or in any  
way involving the Actions, the Subject Vehicles, any and all claims

1 involving the ETCS, any and all claims of unintended acceleration in  
2 any manner that are, or could have been, defined, alleged or described  
3 in the Economic Loss Master Consolidated Complaint, the Amended  
4 Economic Loss Master Consolidated Complaint, the Second Amended  
5 Economic Loss Master Consolidated Complaint, the Third Amended  
6 Economic Loss Master Consolidated Complaint, the TAMCC, the  
7 Actions or any amendments of the Actions, including, but not limited  
8 to, the design, manufacturing, advertising, testing, marketing,  
9 functionality, servicing, sale, lease or resale of the Subject Vehicles.

10 Notwithstanding the foregoing, Plaintiffs and Class Members  
11 are not releasing claims for personal injury, wrongful death or actual  
12 physical property damage arising from an accident involving a Subject  
13 Vehicle.

14 By not excluding themselves from the Action and to the fullest  
15 extent they may lawfully waive such rights, all Class Representatives,  
16 Plaintiffs and Class Members are deemed to acknowledge and waive  
17 the protection of Section 1542 of the Civil Code of the State of  
18 California and any law of any state or territory that is equivalent to  
19 section 1542. Section 1542 provides that:

20  
21 A GENERAL RELEASE DOES NOT EXTEND TO  
22 CLAIMS WHICH THE CREDITOR DOES NOT KNOW OR  
23 SUSPECT TO EXIST IN HIS OR HER FAVOR AT THE  
24 TIME OF EXECUTING THE RELEASE, WHICH IF  
25 KNOWN BY HIM OR HER MUST HAVE MATERIALLY

1                   AFFECTED HIS OR HER SETTLEMENT WITH THE  
2                   DEBTOR.

3  
4           15.    The Court orders that the Agreement shall be the exclusive remedy for  
5                   all claims released in the Settlement for all Class Members not listed  
6                   on Appendix B. Therefore, except for those listed on Exhibit B, all  
7                   Class Members and their representatives, are hereby permanently  
8                   barred and enjoined from, either directly, representatively, or in any  
9                   other capacity instituting, commencing, filing, maintaining,  
10                  continuing or prosecuting against any of the Released Parties (as that  
11                  term is defined in the Agreement) any action or proceeding in any  
12                  court or tribunal asserting any of the matters, claims or causes of  
13                  action described. Pursuant to 28 U.S.C. §§ 1651(a) and 2283, the  
14                  Court finds that issuance of this permanent injunction is necessary and  
15                  appropriate in aid of its continuing jurisdiction and authority over the  
16                  Settlement and the Actions.

17                                   **V. CLASS SETTLEMENT FUND**

18           16.    The Court finds and confirms that the Escrow Account is a “qualified  
19                   settlement fund” as defined in Section 1.468B-1(c) of the Treasury  
20                   Regulations in that it satisfies each of the following requirements:

21  
22                   (a)    The Escrow Account is established pursuant to an Order of this  
23                   Court and is subject to the continuing jurisdiction of this Court;

1 (b) The Escrow Account is established to resolve or satisfy one or  
2 more claims that have resulted or may result from an event that  
3 has occurred and that has given rise to at least one claim  
4 asserting liabilities; and

5 (c) The assets of the Escrow Account are segregated from other  
6 assets of Defendants, the transferor of the payment to the  
7 Settlement Funds and controlled by an Escrow Agreement.  
8

9 17. Under the “relation back” rule provided under Section  
10 1.468B-1(j)(2)(i) of the Treasury Regulations, the Court finds that:

11 (a) The Escrow Account met the requirements of Paragraphs 16(a)  
12 and 16(b) of this Order prior to the date of this Order approving  
13 the establishment of the Escrow Account subject to the  
14 continued jurisdiction of this Court; and

15 (b) Defendants and the Class Action Settlement Administrator may  
16 jointly elect to treat the Escrow Account as coming into  
17 existence as a “qualified settlement fund” on the latter of the  
18 date the Escrow Account met the requirements of Paragraphs  
19 16(b) and 16(c) of this Order or January 1 of the calendar year  
20 in which all of the requirements of paragraph 16 of this Order  
21 are met. If such a relation-back election is made, the assets held  
22 by the Settlement Funds on such date shall be treated as having  
23 been transferred to the Escrow Account on that date.  
24  
25

**VI. OTHER PROVISIONS**

- 1
- 2
- 3 18. Without affecting the finality of this Final Order Approving Class
- 4 Action Settlement or the accompanying Final Judgment, the Court
- 5 retains continuing and exclusive jurisdiction over the Actions and all
- 6 matters relating to the administration, consummation, enforcement
- 7 and interpretation of the Agreement and of this Final Order Approving
- 8 Class Action Settlement and the accompanying Final Judgment, to
- 9 protect and effectuate this Final Order Approving Class Action
- 10 Settlement and the accompanying Final Judgment, and for any other
- 11 necessary purpose. The Parties, the Class Representatives, and each
- 12 Class Member not listed on Appendix B are hereby deemed to have
- 13 irrevocably submitted to the exclusive jurisdiction of this Court, for
- 14 the purpose of any suit, action, proceeding or dispute arising out of or
- 15 relating to the Agreement or the applicability of the Agreement,
- 16 including the Exhibits thereto, and only for such purposes.
- 17
- 18 19. In the event that the Final Effective Date does not occur, certification
- 19 of the Class shall be automatically vacated and this Final Order
- 20 Approving Class Action Settlement and the accompanying Final
- 21 Judgment, and other orders entered in connection with the Settlement
- 22 and releases delivered in connection with the Settlement, shall be
- 23 vacated and rendered null and void as provided by the Agreement.
- 24
- 25 20. Without further order of the Court, the Parties may agree to
- reasonably necessary extensions of time to carry out any of the
- provisions of the Agreement. Likewise, the Parties may, without

1 further order of the Court, agree to and adopt such amendments to the  
2 Agreement (including exhibits) and the Allocation Plan as are  
3 consistent with this Final Order Approving Class Action Settlement  
4 and the accompanying Final Judgment and do not limit the rights of  
5 Class Members under the Settlement Agreement.

6 21. Nothing in this Final Order Approving Class Action Settlement or the  
7 accompanying Final Judgment shall preclude any action in this Court  
8 to enforce the terms of the Agreement.

9  
10 22. Neither this Final Order Approving Class Action Settlement nor the  
11 accompanying Final Judgment (nor any document related to the  
12 Agreement) is or shall be construed as an admission by the Parties.  
13 Neither the Agreement (or its exhibits), the Allocation Plan, this Final  
14 Order Approving Class Action Settlement, the accompanying Final  
15 Judgment, or any document related to the Agreement shall be offered  
16 in any proceeding as evidence against any of the Parties of any fact or  
17 legal claim.

18 Notwithstanding this provision, Toyota and the Released  
19 Parties may file any and all such documents in support of any defense  
20 that the Agreement, this Final Order Approving Class Action  
21 Settlement, the accompanying Final Judgment and any other related  
22 document is binding on and shall have res judicata, collateral estoppel,  
23 and/or preclusive effect in any pending or future lawsuit by any  
24 person who is subject to the release described above in Paragraph 14  
25 asserting a released claim against any of the Released Parties.

1
